I designed this cloth for my husband. When he was growing up, his family owned a dairy exchange where local farmers would sell their milk to them and then they'd bottle and deliver it. In the summer, they had their own ice cream stand where they sold their homemade flavors. The stand has been gone for almost 50 years, but the old customers who grew up enjoying the ice cream, still reminisce about it, especially the wintergreen. To this day, my husband still eats ice cream every day and sometimes twice!

Size: approximately 8" X 8 ¼ ".

Materials: One skein of worsted weight cotton in a solid color. Approximately 98 yards. The cloths pictured were done in Baby Green (or "wintergreen" as my husband calls it!).

Needles: U.S. Size 6/4.0mm or 5/3.75mm Because this is a "picture" cloth, you want your fabric to be fairly dense so the design will pop out. If you are a loose knitter, then you might want to drop down a needle size.

Gauge: 4.5 sts. per inch, not critical.

Abbreviations:

k = knit

p = purl

sts. = stitches

Pattern:
